Important information about your child's medicines

This sheet shows you when to give your child's medication. For further guidance please read the special warnings on the containers.

Contact Piam Brown ward or your local hospital if you have any questions about your child's medicines.

- Use the medicines as instructed by your doctor
- Follow the instructions on the container and read any special warnings on the container carefully
- Never share the medicines with others
- Always keep the medicines in the original labelled container
- Unused or unwanted medicines should be returned to Piam Brown or your local hospital
- The appearance of medicines may change. If a difference is noticed, please discuss with your pharmacist.

KEEP ALL MEDICINES OUT OF THE REACH AND SIGHT OF CHILDREN.
