

Piam Brown trips and events

Piam Brown Unit receives generous donations from charities, organisations and individuals. The ward fund sits within the Hospital Charity (number 1051543) in a dedicated Piam Brown fund. The children and families on the ward benefit from the fund in a number of ways, from providing televisions and X-boxes at the bedside, stocking the play room, decorating parent areas and most importantly, organising trips and outings for families to try and bring smiles to the whole family in what we understand can be very emotional circumstances.

Day trips offered to your family include theatre trips, visiting Thomas the Tank Engine and friends, Paulton's Park, Legoland and Marwell Wildlife, amongst others. Residential trips offered to the older children include skiing, sailing and adventure.

Our charity event co-ordinator Rachel Funnell would be pleased to keep you informed of events and trips if you wish.

Please complete the form below and return to Rachel at the address below if you are happy to be on the distribution list.
